Dear Sharon:

I write on behalf of William Gross, who has been named personally in the EPA's Unilateral Order for Remedial Design of March 22, 2018. As required by Paragraph 46 of the Order, Mr. Gross requests a conference to discuss the Order with EPA.

Please note that Mr. Gross's request for a conference does not indicate a commitment or willingness to comply with the Order, and Mr. Gross reserves all available rights and defenses with respect to the Order.

Respectfully submitted,

Peter C. Trimarchi
